

## Synopsis of federal regulations applicable to migratory bird hunting

Federal regulations regarding bird hunting are described in the Code of Federal Regulations (CFR). These can be found at [www.access.gpo.gov/nara/cfr/](http://www.access.gpo.gov/nara/cfr/). The regulations below can be found at 50 CFR 20.21 unless otherwise noted.

**GAUGE** — Migratory game birds may be taken only with 10 gauge or smaller shotgun capable of holding not more than three shells. Birds may also be taken by falconry or by bow and arrow, or crossbow. The use of lead shot to take sandhill cranes is allowed.

**MOTOR-VEHICLE RESTRICTIONS** — No person may take migratory game birds from any motor-driven vehicle, including aircraft. Special regulations govern handicapped hunters.

**WATERCRAFT RESTRICTIONS** — Waterfowl may be hunted from a watercraft (except a sinkbox) including those propelled by motor, sail and wind, or both when the motor has been completely shut off and/or the sails furled and its progress therefrom has ceased. The watercraft may be drifting as a result of current or wind action on the hull, beached or moored, resting at anchor, or may be propelled by paddle, oars or pole. A watercraft under power may be used to retrieve dead or crippled waterfowl but no shooting is permitted while the watercraft is underway. It is illegal to drive or rally game birds toward hunters by use of any motor-driven conveyance or sail boat.

**DECOYS, CALLS AND BAITING** — Migratory birds may not be taken with the aid of live decoys, recorded bird calls or electronically amplified bird calls. It is illegal to take birds over baited areas. An area is considered baited for 10 days after the bait has been removed, and a hunter need not know an area has been baited to be in violation.

**RETRIEVAL AND TAGGING** — All birds downed shall be retrieved if possible, and retained in the custody of the hunter in the field. Crippled birds must be killed immediately. Any birds given to or left with another person must be tagged by the hunter with a tag showing his name, address and the number and species of birds, and the dates they were killed. Packages in which migratory game birds are shipped must show the names of the sender and receiver, and the number and species of birds contained in the parcel.

**BAG LIMIT** — No person may, during any one day, take more than one daily bag limit or possess more than one daily bag limit in the field, or while returning to the car, hunting camp or home. One feathered wing must be left attached to all migratory game birds until they reach their final destination.

**TRANSPORTATION** — For information regarding the importation of migratory game birds killed in another country,

hunters should consult federal regulations (50CFR 20.61 through 20.66). One fully feathered wing must remain attached to all migratory game birds being transported between the port of entry and the hunter's home or to a migratory bird preservation facility. No person shall import any migratory game birds from any country except Canada unless such birds are dressed (except as required above), drawn and the head and feet are removed. No person shall import migratory game birds belonging to another person.

**SEASON AND HOURS** — No person may take migratory game birds during closed season. Migratory game birds may be taken only during hours open to hunting.

### Closed areas

Willcox Playa Wildlife Area (In Unit 30A): Open to hunting and trapping in season, except that the posted portion (SE 1/4 of Section 3 and SW 1/4 of Section 2 and the NE 1/4 of Section 10, T15S, R25E) is closed to public entry from the first day of the waterfowl season through February 28 of the following year. The Willcox Playa Wildlife Area is closed to off-road motor-powered vehicular entry and travel at all times.

### One feathered wing

Sportsmen should note that one feathered wing (or head for sandhill crane only) must be left attached to all migratory game birds until they reach their final destination.

## NOTES:

1. There will not be a hunter check station for Sandhill cranes in 2005. The mandatory check station will be utilized every third year; the next mandatory check station will occur in 2007. All hunters, successful and unsuccessful, are asked to return the harvest questionnaire following the hunt to maintain the harvest database.
2. In accordance with R12-4-305 each Sandhill crane possessed or being transported shall have a permit-tag attached to its leg or neck and either the fully feathered head or one fully feathered wing shall remain attached until it arrives at the hunter's permanent abode or the place where it is to be consumed.
3. An area within the following described boundaries shall be closed to Sandhill crane hunting during the Sandhill crane season dates: Beginning at Willcox; south-east on AZ Hwy 186 to the Kansas Settlement Road; south on the Kansas Settlement Road to Kimzey Road which runs west from K-S Store (formerly Brown's store) and the cotton gin at the northeast corner of Section 11, Township 16 South, Range 25 East; west along this road alignment to AZ Hwy 191 (formerly 666); north on AZ Hwy 191 to Interstate 10; northeast on Interstate 10 to Willcox.
4. The area within the following described boundaries shall be closed to Sandhill crane hunting. Beginning at the junction of Coffman and Davis roads; south on Coffman Road to Bagby Road; west along the Bagby Road alignment to the intersection of Bagby and posted portions of the Alamo Ranch; north to the boundary with that portion of Whitewater Draw Wildlife Area in Section 30, Township 12 South, Range 26 East; west along the posted portion of the Wildlife Area to Frontier Road; north on Frontier Road to Davis Road; east on Davis Road to the point of origin.
5. Sandhill crane hunt permit-tags may be obtained only through application and drawing procedures prescribed in R12-4-104 and the Hunt Permit-Tag Application Schedule. Successful applicants will receive two (2) Sandhill crane hunt-permit tags.

**BAG & POSSESSION LIMIT:** Two (2) sandhill cranes per calendar year.

### Hunt permit-tag application process and schedule

Sandhill crane hunt permit-tags may be obtained only through application and drawing procedures as prescribed in R12-4-104 and R12-4-114. Applications for hunt permit-tags shall be made on Hunt Permit-Tag Application Forms. In order to participate in the draw you must have or apply for a license. If you are not licensed at the time you submit your Hunt Permit-Tag Applications Form, you must apply for a license by completing the license form section and including payment with the application.

Hunt Permit-Tag Applications for Sandhill Crane will be accepted beginning Aug. 1, 2005 by mail only at the Department's Phoenix office (P.O. Box 52002, Phoenix, AZ 85072-2002). Deadline for the Department to receive applications is Sept. 7, 2005. No application will be accepted after this date regardless of postmark. Hunt permit-tags will be mailed out by Sept. 23, 2005. Consult the 2005-2006 Arizona Hunting Regulations for additional information.
